## *President's Message - By Dick Karn*

In past messages, I have written about the importance your membership and dues are to the mission of the 100 Club in supporting the families of fallen peace officers and fire fighters in Alameda County. If you read the following letters we have received from some of the family members we support, you will realize the significance of that mission and how meaningful it is to these individuals. I want to stress that it is your participation in this program that makes it such a success. We on the Board of Directors merely implement the programs that you make possible by your membership dues and support.

It is dues paying time again. By December 31, 2010, we have already collected over \$50,000 in 2011 dues. 49 of those payments were made by credit card and 293 were paid by check. That is a total of 342 members that have prepaid their 2011 dues, and we thank you very much! For those that have not yet paid, please make your dues payment as soon as you can this year so that we are ready for any emergency that arises.

The Board of Directors wishes you and your family a very Happy New Year and hopes that 2011 will be a success for you and the 100 Club of Alameda County. I look forward to seeing you on February 2<sup>nd</sup>.

## *From the 100 Club Mailbox...*

Dear 100 Club, I want to thank the 100 Club for the United States Savings Bond. The Club has been very generous to me and the beneficiaries over the years. It will be 15 years on January 15th that my husband Richard Sanders, Lieutenant with the Oakland Fire Department died of a heart attack on the job. The Club takes care of the wives and children of the fallen firefighters and officers; you open your hearts every Christmas with the Savings Bonds and the college funds for the education of the children. I can never thank you enough. I visit the wall several times during the year and on special days I'll take some flowers. In the summer I go and sit in the warm sun and just think of the times we had together. Thank you for your dedication to the fallen men Alameda County. At the picnic, it was nice to hear how many new members joined, the word is out and more members join to support your wonderful club. It's always a pleasure attending the dinners and meeting the members of the club. Neil and I have met several members and see them through the year. I'm looking forward to the dinner in February.

*Thank you, Sandy Sanders*

Dear 100 Club Family, Michael Faulkner was shot to death in 1981. You have been caring about his family ever since. I have not been receiving a pension because of remarriage. This gift helps us pay some necessary bill that is always gratefully received and spent. We think about you as angels from the Lord.

*Tamara (Terry) Faulkner Carges*

Dear 100 Club, Thank you so much for remembering me and my family and for your generosity. As always it's appreciated.

*Love to all, Florencia Stovall and Family*

Dear 100 Club – Christmas is almost here. “2010” is coming to an end. I'm opening Christmas cards and there it is, another generous savings bond from the 100 Club. It's a wonderful feeling to be remembered! THANK you 100 Club for your kindness and friendship. Happy Holidays and Happy New year to All.

*Sincerely, Renee Toomey*

Happy Holidays! *Love, Stephanie, Chandler & Reese Miller*

Dear Friends, Thank you very much for the savings bond and your continued support of our family. The bonds are very helpful, especially now that Lisa and Bryan are currently enrolled in college, so they can save them for after. Thank you again for everything.

*Sincerely, Janet, Lisa & Bryan Soto*

I would like to thank the Martin C. Kauffman 100 Club once again for the generous gift of a savings bond. It is very much appreciated. *Thank you again. Kathleen Petersen*

To the Members of the 100 Club,

I wanted to let you know that your very generous gift to me arrived in the mail this morning. I want you to know how much I appreciate this and all the support the 100 Club has given us through the years. You have always been there for us and no words can express our gratitude to each of you. Your card was signed "from your 100 Club family", we do feel that the 100 Club is a family and we are happy you took us in when we needed you most and you made us a part of your family. We thank God for each of you, for the blessings you are and for the joy and support you bring to others. We hope your Christmas and New Year are special in every way. God Bless each and every one of you.

*With much Love, Susan Davey and Family*

Thank you so much for your generous gift. I am working fulltime and taking one-two classes a semester at Las Positas. I should finish up next semester with my Site Supervisor Permit. Danielle is currently attending Butte College and planning to transfer next year. Kristen is in her junior year in high school. She will apply to colleges next year. We wish you a wonderful holiday season. *Thank you again. Michelle, Danielle and Kristen Seuis*
