President's Report

As we celebrate the holiday season and bring 2019 to a close, I'd like to extend my heartfelt thanks to all of you. It is because of your generosity that we are able to continue the selfless work of Martin C. Kauffman and support our family members. Though it may seem like a small thing to you, it is a big thing to others and we recognize that. This year our Club has raised over \$41,000 in donations and we are very grateful!

I'd like to thank everyone who supported me during my time as President of the 100 Club and welcome in Past President Tom Orloff next month. His tireless dedication to this Club is unmatched and we're lucky to have him back.

We wish you all a very healthy and happy New Year, for our Peace Officers and Firefighters to stay safe, and keep in our minds and hearts those that are no longer with us and whose families struggle more than ever during the holiday season.

Many blessings and thanks to all of you!

Please mark your calendars for the **Winter Dinner**. Please note the NEW DATE **January 29, 2020**. As always, please RSVP.

We are looking for a photographer to take photos at our Winter Dinner and Summer BBQ so we can capture some wonderful memories! If you are available to donate your time please contact Christine Maderos - We appreciate your kindness!

Thank you!
Lisa Granzella

Family Member Liaison Report

By: Patty Goodman

It is with great sadness that we share the news of the sudden passing of our Family Member, Angela Dunakin. Angela, a retired deputy sheriff with ACSO, was the wife of Oakland Police Sergeant Mark Dunakin who was killed in the line of duty March 21, 2009.

Angela and Mark's 3 children, Anthony, Sienna and Patrick have yet again had their young lives turned upside down, losing their father 10 years ago, now their mother. Patrick is a freshman at Chico State. Angela drove to see him and take him cookies on October 27th. While driving back to her Roseville home, she was killed in a tragic auto accident. Angela was an organ donor and was able to help save several lives. Most notably, one of Angela's kidneys went to her son, Anthony's, future mother in law.

Angela, 52, was an avid baker and cook, and she loved attending concerts and cheering for the 49ers and Steelers. She loved playing scrabble and monopoly with her family. She recently received a new title, "Gigi" (grandmother), to Riley Mae and was overjoyed.

Although the Alameda County One Hundred Club is helping Angela and Mark's children with scholarships, they will need more help. You can help them by contributing to the "Dunakin Children's Family Trust Fund" that has been established by PORAC (Police Officers Research Association of California).

Please send your donation to:

Update from your 100 Club Finance Committee:

By: John Sensiba

Our Club exists to provide financial help to the families of first responders who gave their lives in service of our communities in Alameda County. In order to be ready when needs arise, the Board's Finance Committee oversees the stewardship of the Club's assets.

Our reserves available to fulfill our mission have continued to grow with the strong performance of the investment markets and your generous continuing support of our Club. The ongoing educational costs of our family members have also continued to grow with rising tuitions and other costs related to higher education. Accordingly, the board has approved increases to the various support levels offered to our families.

The annual amount provided for higher education has been increased. Additionally, increases to other ongoing support mechanisms have been made. These increases were modeled well into the future to give the board confidence that they will be sustainable over a long period of time.

The 100 Club is committed to managing its finances to ensure that we are able to fulfill our mission while simultaneously praying that the need never arises again.

Have you heard of AmazonSmile?

By: Ron Capilla

If you like shopping on Amazon, here's an easy way for our club to make money and it won't cost you anything!

AmazonSmile is a website operated by Amazon. It offers the exact same products, pricing, and shipping as Amazon.com, the only difference is AmazonSmile gives back!

All you have to do is go to **smile.amazon.com** and sign in with your existing Amazon account (or create one for new users). You'll be prompted to select a charity, simply type in **Martin C. Kauffman 100 Club of Alameda County**. Then anytime you shop on Amazon all you will have to do is log into Amazon through AmazonSmile and start shopping!

For every purchase you make on AmazonSmile, The AmazonSmile Foundation will automatically donate 0.5% of the purchase price to the 100 Club. So far, the AmazonSmile Foundation has donated over \$698 to our Club!

Please join our efforts to help our 100 Club families by going on-line today and signing up with AmazonSmile and listing The Martin C. Kaufman 100 Club of Alameda County as your charity of choice.
